

THE 4 TOOLS TO HELP YOU STUDY DURING YOUR COURSE

Your PoE is one of the 4 tools that will help you to study your ICB course:

1 **PORTFOLIO OF EVIDENCE: ASSIGNMENTS AND TESTS**

2 **COLLEGE TUITION**

3 **STUDY MATERIALS**

4 **STUDY SUPPORT** from your college

Learning Phase 1

- Assignment 1
- Test 1

Learning Phase 2

- Assignment 2
- Test 2

Learning Phase 3

- Assignment 3
- FINAL EXAM

Each subject is divided into 3 learning phases. You'll do an ICB Assignment during each phase, and at the end of phases 1 and 2, you'll complete an ICB Test to test your knowledge. These tests have been set by the ICB and are standardised – all students must complete them.

Your final exam marks the end of the third learning phase.

This integrated way of learning helps to prepare you (and is good practice) for your final exam. You'll know what to expect – no surprises!

Your college tuition, study materials and support from your college are the other 3 tools to help you succeed in your studies. Check with your college which of these they offer:

Lectures	Textbooks	Tutoring
Video learning	Workbooks	Study groups, etc.
Online learning	Study guides	

Your college will give you your course materials and textbooks, whether you are a classroom or distance learning student. If you chose to study independently, you'll have to get your own textbooks and course materials.

If you have queries about the work, please speak to your training provider. They will be able to help you with questions about your subject content, theory, assignments, etc. If you're an independent student and have chosen NOT to study via a college, you will have to find the support you need yourself.

The ICB is strictly only the external examining body for these qualifications. To remain independent and fair, we cannot get involved in any support or tuition.
